CONDENSER

First class

Particularly suitable for locations with a large number of users, **Elmeo First Class** is perfect for granita, frozen coffee and tea, semi-frozen and frozen desserts, cocktails, sorbets, sangria, lemonade and much, much more. Thanks to the patented "**total cold**" system, the product is kept at a constant temperature, right down to the very last drop, guaranteeing optimal product quality and minimal wastage. **Completely drive shaft** seal free make the machine is to disassembly and clean. An efficient, electronic board makes it simple and intuitive to use.

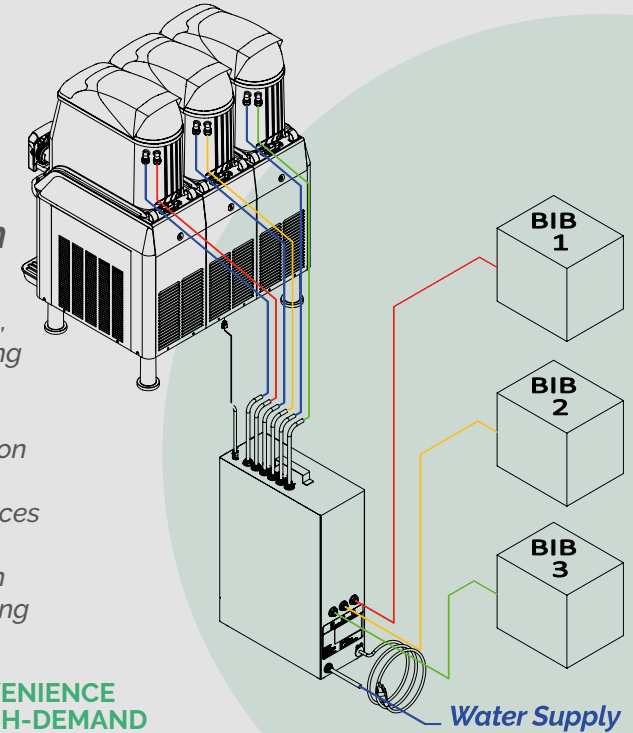

Exclusive customization with Led Backlit light panel

Elmeco First Class is available in two different color and it is possible to customize with your logo, graphics or advertising messages.
*The addition of the **LED backlight panel** allows for complete customisation and a fresher, more appealing look.*

Refill system. Maximize your output production

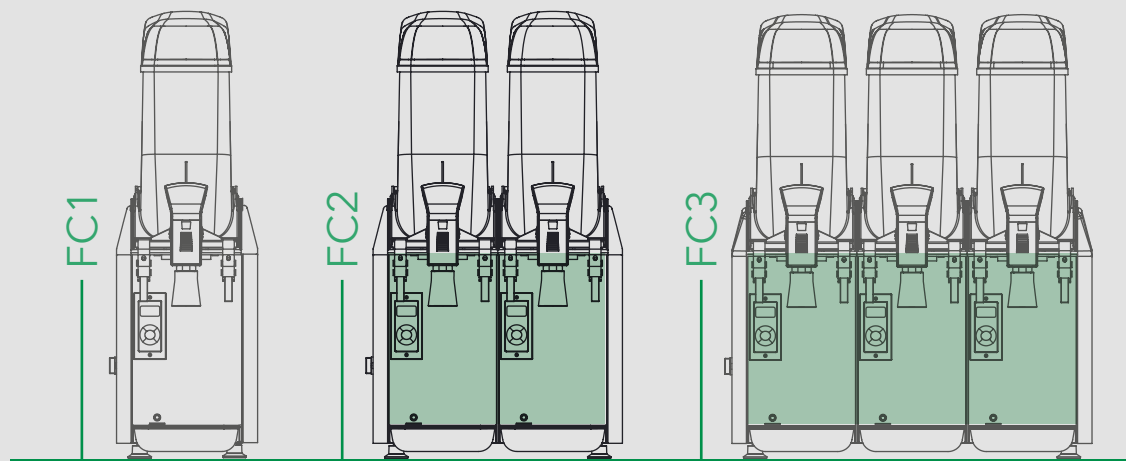

*Elmeco Refill is a handy bag-in-box auto-fill system, easy to set up on the existing machines (FC2 and FC3). This additional equipment maximizes output production by keeping machine **bowls full at all times** and reinforces merchandizing effect. Eliminates potential human errors in process of premixing water and syrup.*

IDEAL FOR CONVENIENCE STORES AND HIGH-DEMAND BEVERAGE SERVICE
