Compactness and reliability for small businesses

Featuring a 6-liter capacity and the option of 1 or 2 bowls, this unit ensures high profitability with a low initial investment and minimal maintenance. The Elmeco Big Biz is user-friendly and easy to clean, offering a reduced slush production capacity for simple and versatile product changes. Perfect for preparing a variety of fresh and delicious products such as sorbets, slushes, and creamy iced coffees, it consistently guarantees quality and reliability without compromising on space.

IDEAL FOR BARS AND RESTAURANTS
WITH A MODERATE CUSTOMER FLOW

> AVAILABLE WITH 1 OR 2 TANKS

High performance and quality for compact spaces

A young yet highly professional machine, born from years of field experience. Highly reliable and compact, it maintains the same efficient technical specifications as other Elmeco machines, with simpler and faster dispensing. Available in 1 or 2 bowl versions, each with a 7.5-liter capacity. Effortlessly creates granitas and sorbets, satisfying even the most discerning palates, representing the smart choice for those seeking high performance in smaller spaces.

First class

Performance and quality for frozen drinks and cocktails

Elmeco First Class is ideal for preparing a variety of beverages and desserts, including slushies, iced cappuccinos, coffee and tea, cocktails, sorbets, sangria, lemonades, and more. Thanks to the patented "Total Cold" technology, the product is maintained at a consistent temperature down to the last drop, ensuring optimal product quality and minimal waste. The machine features a completely seal-less drive shaft, simplifying disassembly and cleaning. An efficient electronic board streamlines operation and enhances ease of use.

Authentic coffee granita

Elmeco Be Coffee is a versatile and compact machine for making real black coffee granita. Thanks to its technology, it preserves the authentic taste and color of coffee.

Equipped with a 6-liter tank and a capacity designed for medium customer flows, Quick Coffee Black will provide your customers with perfect coffee granitas, with natural color and no additives or stabilizers. Elegant and sturdy, it improves your profits while also saving on consumption, ensuring a fresh product with intense flavor.
