# First class

Particularly suitable for locations with a large number of users, **Elmeo First Class** is perfect for granita, frozen coffee and tea, semi-frozen and frozen desserts, cocktails, sorbets, sangria, lemonade and much, much more. Thanks to the patented "**total cold**" system, the product is kept at a constant temperature, right down to the very last drop, guaranteeing optimal product quality and minimal wastage. **Completely drive shaft** seal free make the machine is to disassembly and clean. An efficient, electronic board makes it simple and intuitive to use.

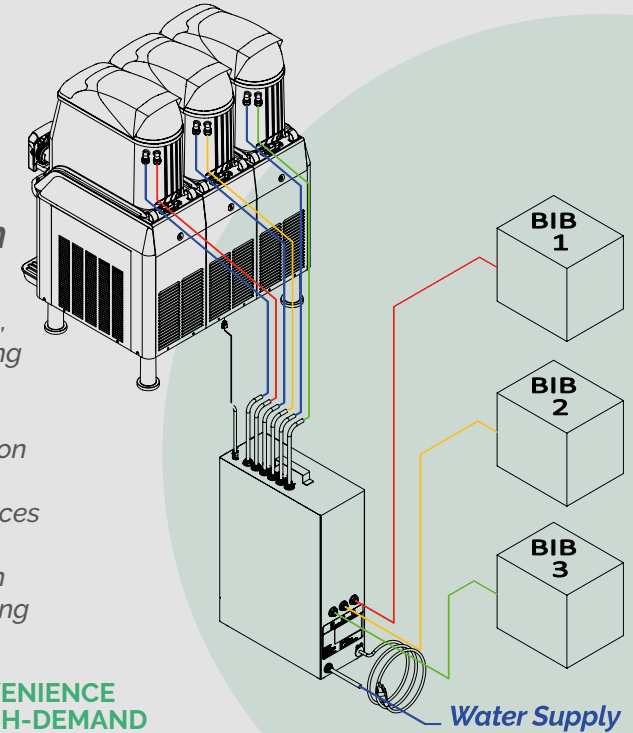

## Exclusive customization with Led Backlit light panel

*Elmeco First Class is available in two different color and it is possible to customize with your logo, graphics or advertising messages.*  
*The addition of the **LED backlight panel** allows for complete customisation and a fresher, more appealing look.*

## Refill system. Maximize your output production

*Elmeco Refill is a handy bag-in-box auto-fill system, easy to set up on the existing machines (FC2 and FC3). This additional equipment maximizes output production by keeping machine **bowls full at all times** and reinforces merchandizing effect. Eliminates potential human errors in process of premixing water and syrup.*

**IDEAL FOR CONVENIENCE STORES AND HIGH-DEMAND BEVERAGE SERVICE**

*First class*
